

FULL-TIME BACHELOR PROGRAMME

International Business

The Programme

Do you fancy an international business career? Are you looking for a university where your personal development is primary focus? Do you want to study in an environment with state-of-the-art teaching methods to gain 21st century skills? Our programme offers courses (management, logistics, finance, marketing), workshops, working independently in our office setting, projects with companies, an work placement, study abroad and professional career counselling.

Your Future

When you graduate, you have the knowledge and skills which are necessary for doing business around the globe. You know how to write an international marketing plan and you're able to manage international business processes. You know about the importance of differences in cultures and how to act accordingly, and of course you can communicate professionally in different languages.

Does this sound like you?

- Looking for an international business challenge?
- Able to work independently at complex business problems?
- Level of English proficiency sufficient?

Can you answer these questions with 'yes'? Then this might be your future study programme!

Special Features of this programme

A very practical approach: many projects with companies from year one • Small classes: **approximately 15 students** • Bachelor in Business Administration at one of the best Dutch Universities of Applied Sciences • Work placement abroad and study abroad
